

CONSTRUCTIONS & CLEANING SOLUTIONS

# COMPANY PROFILE

Driven by purpose, built with  
passion, delivering excellence  
across every service we offer.

# Executive Summary

## Introduction

Go Construction and Cleaning Solutions is a dynamic and expanding division of Go Security Solutions, offering professional construction and cleaning services nationwide. We combine technical expertise with meticulous attention to detail, delivering projects and services that meet the highest standards of quality and safety.

Whether you need a new structure built, a renovation completed, or a space maintained to impeccable standards, we are your trusted partner.

## Building Trust, Cleaning Excellence

At Go Construction and Cleaning Solutions, we bring the same commitment to precision, discipline, and reliability that defines our security services into the world of construction and cleaning. As a division of Go Security Solutions, we are dedicated to building safe, clean, and functional environments for businesses and communities across South Africa.

# Vision, Mission and Values

**Building and maintaining South Africa's future with excellence, trust, and care.**

## **VISION:**

To deliver exceptional construction and cleaning services with integrity, professionalism, and reliability. We are committed to enhancing the built environment and improving quality of life through safe, sustainable, and client-centered solutions, building trust in every project and cleanliness in every space.

## **MISSION:**

To be recognized as South Africa's leading integrated service provider, where construction and cleaning excellence meets the trusted standards of security. We envision spaces that are not only functional and beautiful but also safe and sustainable, contributing positively to communities and the nation.

## **OUR VALUES**

**Excellence in Execution**

**Client-First Approach**

**Integrity & Transparency**

**Safety & Sustainability**

**Community & Nation Building**

At Go Construction and Cleaning Solutions, our vision is to shape a future where infrastructure empowers, services uplift, and communities thrive. Guided by our mission to deliver excellence across construction, logistics, supply, and cleaning, and anchored in values like integrity, empowerment, and sustainability: we don't just complete projects, we create lasting impact that builds South Africa forward."

# SERVICES

## Construction & Building Services

We deliver end-to-end construction solutions for commercial, industrial, and residential clients. Our skilled teams manage every stage of the building process with precision and professionalism.

- **New Construction & Building Projects** – Commercial, residential, and industrial structures.
  - **Renovations & Refurbishments** – Modernizing and upgrading existing spaces.
  - **Structural Repairs & Maintenance** – Ensuring safety and longevity of buildings.
  - **Project Management & Consulting** – Oversight, planning, and compliance support.
  - **Safety & Compliance Inspections** – Adherence to industry and regulatory standards.
- 

## Cleaning & Maintenance Services

We offer thorough, dependable cleaning services tailored to your needs—whether for daily upkeep, post-construction cleanup, or specialized sanitization.

- **Commercial & Industrial Cleaning** – Offices, factories, warehouses, and retail spaces.
- **Post-Construction Clean-Up** – Deep cleaning after building or renovation work.
- **Specialized Sanitization & Disinfection** – High-touch surface and facility sanitation.
- **Window, Carpet & Deep Cleaning** – Detail-oriented cleaning for all surfaces.

transforms visions into reality,  
delivering excellence across diverse  
services with integrity and innovation**

# BBBEE Commitment Statement

At **Go Security Solutions t/a Go Construction and Cleaning Solutions**, we are dedicated to advancing Broad-Based Black Economic Empowerment (BBBEE) as an integral part of our business ethos and operational strategy. We believe that true growth and sustainability are achieved through inclusivity, empowerment, and meaningful participation in the South African economy.

## Our Commitment

We are committed to:

- Promoting equitable opportunities for Black-owned suppliers, contractors, and service providers.
- Investing in skills development and career advancement for our employees, with a focus on previously disadvantaged individuals.
- Fostering an inclusive workplace that reflects the diversity of South Africa.
- Contributing to socio-economic development through community upliftment and enterprise development initiatives.
- Ensuring transparent reporting and compliance with BBBEE standards and legislation.

## Our Pillars of Transformation

### Ownership & Management

We are actively pursuing meaningful Black ownership and leadership within our group structure, ensuring that decision-making reflects the demographics of our nation.

### Skills Development

Through our **PSIRA-accredited training academy** and in-house development programs, we upskill and empower Black employees, equipping them for leadership roles within our organization and the wider industry.

### Enterprise & Supplier Development

We prioritize procurement from Black-owned, women-owned, youth-owned, and small-to-medium enterprises, building a resilient and inclusive supply chain.

### Socio-Economic Development

We invest in community projects that promote education, safety, health, and infrastructure—building stronger communities and a stronger South Africa.

## Our Promise

We are not just complying with BBBEE—we are embracing it as a core driver of our business success and social responsibility. We are committed to measurable, impactful transformation that uplifts our people, partners, and communities.

# Safety Policy.

Go Construction and Cleaning Solutions prioritizes safety in our construction, supply and delivery, transportation, and cleaning services. We comply with the Occupational Health and Safety Act, 1993 (Act No. 85 of 1993) to ensure a safe environment for employees, clients, and communities.

## Our Commitment

- **Prevent Incidents:** Eliminate hazards and reduce risks.
- **Compliance:** Follow South African safety laws and standards.
- **Improvement:** Continuously update safety practices.

## Safety Principles

1. **Risk Management:** Assess and control risks for all operations.
2. **Training:** Provide regular safety training on equipment and emergencies.
3. **Safe Practices:** Use PPE, maintain vehicles, and employ eco-friendly cleaning products.
4. **Incident Reporting:** Report and investigate incidents to prevent recurrence.
5. **Emergency Plans:** Maintain and practice emergency procedures.

**Go Construction and Cleaning Solutions** is committed to ensuring the highest safety standards in our **construction, supply, transportation, and cleaning services**. Registered under the Companies Act, 2008, we prioritize the well-being of our employees, clients, and communities.

# Why Choose Go Construction and Cleaning Solutions?

In a market filled with options, we stand apart. Our commitment to excellence, integrity, and client-focused service makes us the clear choice for your construction and cleaning needs.

## **Built on a Trusted Legacy**

As a division of Go Security Solutions, we carry forward a reputation built on reliability, discipline, and trust. Our name is synonymous with professionalism and excellence across South Africa.

## **End-to-End Service Control**

From planning to completion, we oversee every phase of your project. Our integrated approach ensures seamless coordination, clear communication, and consistent quality. No subcontractor gaps, no compromises.

## **Professionally Trained Teams**

We don't just hire workers, we train professionals. Our construction and cleaning staff undergo rigorous screening, skills training, and ongoing development to meet our high standards of safety, efficiency, and courtesy.

## **Nationwide Reach, Local Understanding**

With operations across all nine provinces, we combine national capability with local insight. Whether you're in Pretoria, Diepsloot, Zithobeni, or beyond: We deliver the same trusted service.

## **Sustainable & Community-Minded**

We are committed to environmentally responsible practices and contributing positively to the communities we serve. When you choose us, you support local employment and sustainable development.

# Operational Excellence.

At Go Construction and Cleaning Solutions, operational excellence is our foundation. From our headquarters in Pretoria, we deploy skilled teams, proven processes, and client-focused systems to deliver construction and cleaning services that set industry standards.

Our methodical approach and attention to detail build trust and ensure reliability for every client need, because you envision, we deliver.

Our operations blend innovation and discipline. Integrated project management tools optimize timelines, control costs, and ensure consistency, while our operational hub monitors progress in real time, proactively adapting to challenges.

We train and develop local talent to master construction and cleaning best practices, creating a dependable and professional team. This fusion of technology, training, and teamwork delivers seamless and high quality results, exceeding client expectations with every project.
